COULD NOT BE PRODUCED.

Frank Eckhoff, Witness in McNamara Case, Lost.

Cincinnati, O., Nov. 15.-Frank Eckhoff, the coremaker, for whom his wife secured a writ of habeas corpus when it was charged he had been taken out of the city by the Cincinnati police and operatives of the William J. Burns detective agency, to testify in the McNa mara case at Los Angeles, Cal., could not be produced in court here yester-day. Chief of Police William H. Jackson testified that Ben Eckhoff, a brother, called on him a week ago and complained that his brother was to be taken away. City detectives were sent to see the man, and he was brought to police headquarters. Then, after being questioned, he left with a Burns detective, packed up his clothes and left the city in company with the detective. Since then the Cincinnati police have heard nothing of the case.

SIMILIAR ACTION IS TAKEN

By Other Nations-Ne Decision to Be Made by Knox-Will Leave the Question for MacVeagh and Taft.

Washington, Nov. 15,-Following the verbal representations previously to this government in regard to duties on wood pulp and printing paper, the German embassy has sent a note to the state department formally claiming un der the favored nation clause of the existing treaty the same privileges enjoyed by Canadian pulp and paper of free entry into America. Count Bernstorff, the German ambassador, is at resent in New York and is expected to take up the subject with Secretary Knox upon his return to Washington in the course of a few days. The Ger-man note is purely formal and is sim-ply intended, as explained at the emassy, to save the rights of the Ger man exporters.

Several countries have already laid laim to exemption from the paper and pulp duties on similar grounds, and it is expected that within a short time every nation that exports pulp or low grade paper will have registered at the state department applications for equal ama canal, took advanced ground in fa-privileges with Canada. Through John vor of subsidies to American shipping Norris, the American Publishers' association has filed with the state department tion as a military adjunct. He called a plea that the application of these attention to the fact that although there a plea that the application of these countries be allowed on the ground that to require the importers to make test cases would not be equivalent to the 'immediate" action contemplated in the favored nation clauses of the treaties nal will be fully ready for ocean trafinder which the claims are preferred.

Secretary Knox stated yesterday that he regarded the matter as one requir-ing the action of the president and the secretary of the treasury, and it is evident that be will not act himself unless nstructed to do so, taking the ground that the question involved is purely legal and not diplomatic in its present
